Working together to end homelessness: St Petrocs visit

We visited St Petrocs' resource centre in Truro to hear how the charity is working to end homelessness, supported by Lillicrap Chilcott's generous donation and CCF. St Petrocs updated us on the donations it continues to need and its search for accommodation in Penzance which they need to keep people off the streets. Can you help? [Read more.](#)

Seeing is Believing event in Newquay

One of the many highlights of working for the Foundation is meeting our supporters and visiting projects. At Seeing is Believing in Newquay, we heard from Newquay Foodbank and Chantal at the Clothes Horse Cornwall who discussed how funding is making a difference to their project missions and community. Thank you to everyone who came along to the event.

CCF Business Club Breakfast

Tracey Boyne, founder of Mylor Sailability joined us at our latest breakfast at the Alverton Hotel. Mylor Sailability was awarded a grant of £3,000 from our Business Club fund, so Tracey gave members an insight into the project which makes sailing accessible for people with additional needs. The grant will go towards group sessions, developing racing teams and their 'Good Day Promise' comprising free of charge sessions for the terminally ill and their loved ones. Royal Cornwall Show 2024

Thank you to everyone who visited us at the show! We had an incredible time and loved the atmosphere. We

felt fortunate to have such wonderful views of the main ring, from our base on the Tregothnan stand. And, of course, the complimentary Rodda's Cream Teas went down a treat, so we'd like to extend our thanks to Tregothnan, Rodda's, our Trustees and all visitors.
