Did you know about our NEW Christmas show?

On the longest night of the year, Ruby's village are getting ready to welcome 'The Light' at the Christmas party. However, after reports of wolves, the celebration is in jeopardy. It is down to Ruby to journey deep

into the heart of the forest and discover the truth behind the rumours. But who is watching over her? And whose party is it anyway? Join us for a modern-day festive twist on this classic tale.
