Subject: SEASON 2: Free public speaking and media training

Dear friends.

Ambassador Training

The Ambassadors' Programme this year has been a wonderful experience. But don't just take it from us, take it from them!

"The Christians in Politics training has been nothing short of enlightening and eye-popping ... for me."

"What turns the door and moves the needle for me is the little corrections Andy makes in my speech delivery which when I practice completely

"The homework assignments that Andy gives us are really challenging but very rewarding. His feedback is invaluable and being gently pushed to step outside of my comfort zone is just what I need to improve my political communication skills. I also love the encouragement and interaction from the other group members"

Which begs the question...

Would you like to be part of the next cohort (Oct 2024-Sep 2025) of the Ambassadors Programme? You will sharpen up your public speaking skills, your media interview skills and your narrative for public apologetics. If so, initially all we need is a 2 minute video of you making a speech.

Email us at info@christiansinpolitics.org.uk for more details on the programme (5 evening sessions over 12 months) and how to apply. Also please SHARE this with anyone who you think might benefit, whether they are affiliated with Christians in Politics or not. It's free!
